

March 10, 2008

Dear Hereford Breeders:

Many of you had the opportunity to see RV Stocker 6662 (P42756458) and FFF Moeler's Red Dog 711S (P42767709) at the National Western Stock Show in Denver. We were thrilled with the excitement and interest during the week on the two bulls. We currently have new calves from RV Stocker 6662 at home and are very excited about the light birth weights of under 80 lbs. from our first calf heifers.

Several breeders have already obtained semen from RV Stocker 6662 for the 2008 calf crop. We anxiously wait to hear from other breeders as more calves arrive. We are confident of the results and feel that RV Stocker 6662's performance and balanced set of EPD's will enhance your program. Semen is available on RV Stocker 6662.

FFF Moeler's Red Dog 711S was purchased at the Mile High Sale in Denver by the Bischoff's Ravine Creek Ranch, Gerald and Janelle Bischoff of Huron, South Dakota. FFF Moeler's Red Dog 711S has an outstanding set of EPD's and a pedigree that has seven National Champions. For semen out of FFF Moeler's Red Dog 711S please contact Gerald and Janelle Bischoff at (605) 352-5530 or (605) 350-0979.

We also have available semen from one of our older herd sires LEG Feltons Tradition 02 (P41036857). He is a Feltons 517 and Bar JZ Tradition 434V son that we used for several years with great success. This is a tremendous maternal bred bull with many females in production.

We feel our breeding program has a lot to offer with maternal bred cattle, calving ease, pigmentation, balanced EPD's, bone mass, natural thickness, and milking ability. Our mission at Fleischmann Family Farms is to provide a functional animal that will perform and enhance the commercial or purebred programs.

If you would like to purchase semen out of RV Stocker 6662 or LEG Feltons Tradition 02, please complete the enclosed order form and mail it with your payment. We have enclosed photos and additional information on the bulls. Please call if you have questions, our home phone is (402) 747-8011, Tim's cell (308) 940-1039 or Anita's cell (402) 910-1224.

Best Regards,

Fleischmann Family Farms
